

### **Bio – Michelle Polasek**

Hi I'm Michelle Polasek I live on Deer Hollow Lane; we moved here in 2013 and bought our house in 2015. I have my Bachelor's degree in Accounting from San Diego State University. I have been an accountant for 18 years, with a background in tax and audit. I'm married to my wonderful husband Michael. We have three little girls Madison, McKinley and Molly who I currently stay at home with. We love living in this neighborhood and I look forward to serving this community more as a board member. I am highly organized and very detail oriented. I love the outdoors, yoga and soccer.

### **Bio - Lee Rutledge 6905 Flamingsworth Hollow**

I am currently serving on the Lakewood HOA board as the secretary and ask you to allow me to continue in that capacity. I originally began as a member of the safety committee when our neighborhood was hit with so many burglaries in 2019. Later I helped put together a "watering team" when we tried to restore the damage to our plants in the common areas as a result of the 2020 freeze. I was asked to join the board when the standing secretary resigned mid-term. I have been in Austin for 41 years. I am a retired educator and now an educational consultant for The Holdsworth Center. My husband, Joe Rutledge, is a general contractor. He built our current home and three others in our cul-de-sac in the 80s. When my youngest daughter left for college, we sold our home of 25 years to move into our home on Flamingsworth Hollow. We have found our place in this community since 2013. I feel blessed to live in such a beautiful and friendly neighborhood in Austin. I care about the aesthetic of our community and hope that the projects the Lakewood HOA Board considers continue to focus on maintaining the safety and beauty we have become used to. I walk this neighborhood daily with my dogs and see firsthand where the needs are in our community. I would like to continue advocating for my neighbors who are also invested in this beautiful place.

Thanks Lee
